Kansas/Nebraska Spring Turkey

Gobble Gobble...The Kansas/Nebraska Spring Turkey Season is off & running! We started with archery hunts in Nebraska and followed suit with more sharp stickin in Kansas. The number of birds we're seeing is incredible. We still have a ***few*** spots available for archery or shotgun this spring.

Kansas/Nebraska Deer 2009

The online application process for Kansas non-resident deer tags starts May 1 2009.

We'll assist you with this process and we've had great success with our formula. We have a limited number of spots available in Kansas for muzzle loader, archery, or rifle. Email or give us a call to get on the books for 2009.

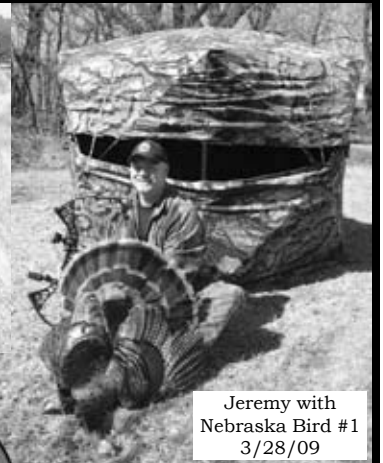

Nebraska deer tags are purchased over the counter and non-residents can purchase two antlered deer tags for our areas in Nebraska. I have archery, rifle, and two muzzle loader spots available for 2009.

*Be safe and good huntin
